

## Directions to Scotchcoulthard

Between The Twice Brewed and The Milecastle Pub on The Military Road there is a turning sign posted Cawburn and Edges Green.

Key locations you will pass: farmhouse on your right; next an old schoolhouse on your left, with a phone box opposite. Then, after another house straight ahead of you on a sharp right bend, you will come to Edges Green farm on your right and High Edges green (white farmhouse) on your left. Distance so far, approx 1¾, miles. Straight ahead, there is a 'No Through Road' sign and cattle grid. Ignore this sign and carry on over cattle grid, bearing left.

Follow this road for a further 2 miles over two more cattle grids. At the second cattle grid you are on top of a rise, ahead on your right the forest has been cut down. Travel down the dip, and up the rise - **under a ¼ mile**. The road bears right into the forest. **Do not follow the road round to the right**, but continue straight on along the narrow road. The driveway for Scotchcoulthard is about 100 yards on the left.
